

Conference Purpose

We live in an hour when God is raising up women empowered by His Spirit.

His extraordinary women, coming together at an extraordinary time. Jesus Christ is our common ground, we are all equal at the foot of the Cross. Whether we are mothers, daughters, aunts or wives; we are all sisters in Christ.

At this conference we desire you to be encouraged, strengthened and become steadfast in all areas of influence God has placed you in. We pray you enjoy learning from each other's diverse backgrounds while still having common vision celebrating our unique abilities!

Women need women... there are others, just like ourselves who are going through life changes, different seasons and journeys only women can fully appreciate and understand.

May you be lifted in your spirits, equipped with fresh insight, and ready to be all Christ has created you to be!

This conference is for you, a refuge to enjoy time away from everyday demands & distractions to be with God. We will laugh, cry, pray, rejoice and fellowship freely. We will be strengthened together with a new sense of purpose and vision.
